Aristotle

Categories [308-313]

On page 306, the editors of your text claim that the *Categories* makes clear why Aristotle rejected Plato’s approach to knowledge of the forms. Explain why.

Physics [322-333]

On page 306, the editors of your text claim that in the *Physics*, Aristotle displays his teleological understanding of nature. Explain this claim.

Metaphysics Book XII [348-358]

What does it mean for Aristotle to say that God is the “unmoved mover”?

De Anima (On the Soul) [358-364]

Nicomachean Ethics Book I-II [364-387], VI [399-411], X [429-434]

What is the connection between Aristotle’s view of the soul and his view of ethics?
